Capitol, but I think if we did have such a situation, it would not be an unreasonable thing to do; State Office building likewise we ought to consider, and in doing so, we, I think, have a little flexibility to do something that might ease some of the concerns that you might have with the bill. So I do rise in support of the Schimek amendment.

SPEAKER WITHEM: Thank you, Senator Wesely. I understand there is a motion on the desk.

CLERK: There is, Mr. President. May I, I have a motion to adjourn, if I may read some items, Mr. President.

SPEAKER WITHEM: You may read some items.

CLERK: A new A bill, LB 182A; LB 425A. (Read for the first time by title. See page 712 of the Legislative Journal.) Natural Resources reports LR 49 back to the Legislature for further consideration; and an appointment as the State Investment Officer by the State Investment Council, that will be referred to Reference for referral to a confirmation hearing. Enrollment & Review reports LR 4CA, LR 21CA, and LB 48 as correctly engrossed. And Enrollment & Review also reports LB 411, LB 420, LB 297, LB 334, LB 94 to Select File, some of which have Enrollment and Review amendments. Senator Maurstad has amendments to be printed to LB 179, and, Mr. President, finally some adds; Senator Fisher would like to add his name to LB 788, and Senator Chambers to LB 222. That's all that I have, Mr. President. (See pages 712-14 of the Legislative Journal.)

SPEAKER WITHEM: The motion I believe, Mr. Clerk, is by Senator Kristensen to adjourn us until 9:00 a.m., Monday morning, is that correct?

CLERK: Yes, sir, that is correct.

SPEAKER WITHEM: You've heard the motion. All those in favor signify by saying aye. Opposed. We are adjourned.
